Sir:

The Examiner is requested to consider the references noted on the enclosed Form PTO-1449 during examination of the above-identified patent application. These references are submitted for the Examiner's consideration and are submitted pursuant to the duty of disclosure under 37 C.F.R. § 1.56. In submitting these references, no representation is made or implied that the references are or are not material to the examination of the application. The Examiner is encouraged to make his or her own determination of materiality. Copies of the references are provided herewith.

The references cited on the attached Form PTO-1449 were cited in a European search report dated November 6, 2002, in corresponding European Patent Application No. 99934413.8. A copy of the European search report is enclosed herewith.

With respect to Japanese patents identified by numbers 4, 5 and 6, an English-language translation of the abstract is enclosed. In the European search report, the Examiner has categorized them as "technological background."

This IDS is being filed before the first Office action, concurrently with the filing of a Request for Continued Examination. Accordingly, pursuant to 37 C.F.R. § 1.97(b)(4), no fees are due with respect to this filing. However, should any such fees or petitions be required,

Serial No. 10/071,701
